1st November 2023

Dear Napoleonic Association Units,

It is the end of the season, you will shortly be holding your AGMs and Parties.

We extend our sincere gratitude for your attendance, support, and continuous affiliation with the Napoleonic Association. Your dedication and active participation this year and additionally your feedback both positive and constructive, have been pivotal in fostering the spirit and success of our shared hobby. It's with great pleasure that we express our appreciation for your ongoing commitment.

The entire committee has been diligently working to further enhance the Napoleonic Association, ensuring it remains a thriving, safe and enjoyable space for all members. We are delighted to share that our efforts have resulted in a significant increase in membership, bringing us back to numbers reminiscent of our successful year in 2015.

Securing excellent venues for our events remains a top priority, and your presence is vital to the success of these gatherings. We are immensely grateful for your continued attendance, as it truly contributes to the vibrancy and success of our collective pursuits.

Throughout this year, we've supported several military structure changes, always valuing and welcoming your feedback. These changes have proven beneficial, especially in smaller event settings. We encourage your enthusiastic participation, support, and constructive feedback directed towards our army commanders, whose leadership has been fundamental in shaping the association's development.

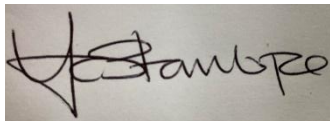

The responsibility of military structure and camp layout has been entrusted to our army commanders, and we are elated to witness the seamless collaboration of all three groups of rifles at Stansted Park and Upton. We earnestly hope this unity and cooperation persist and grow stronger in the season to come.

Our army commanders were granted autonomy in managing their military staffing. The association fully supports their decisions and acknowledges that there will be upcoming elections. Whilst there are no significant structural changes for international events and 'Big Battalions' outside of the NA, the smaller gatherings have been making a remarkable impression on the field for our spectators. The EC extends our thanks to the British, French, Coalition, artillery and Cavalry Commanders.

We are happy to announce that we have secured a highly beneficial and financially agreeable insurance policy that will once again cover members of the association for NA and unit events. Keep an eye on the minutes of meetings and website announcements for updates.

We extend our deepest thanks for your commitment and support. The committee is resolutely dedicated to providing exceptional opportunities for our community to come together, fostering an environment where our shared passion for this hobby can flourish.

Thank you once again for your ongoing support and dedication. We eagerly anticipate the 2024 season and the continuation of our collective journey within the Napoleonic Association.
